

Designer/ Contractor Sign Up for Prima Stone Incentive Program

Direct purchase from Prima Stone: Contact your account manager directly with clients contact information, quantity and panel selection and we will bill the client directly. Clients will receive a 25% discount and designers will receive 15% incentive back.

Via contractor or fabricator: Email your representative an email to the contractor, prior to tender and estimating stage. We will then set a project price that gives the fabricator a 25% discount and the designer a 15% rebate. There will be no discount to the end user.

No Contractor or Fabricator Communication. Registered Designers/ Contractors will receive a 5% rebate on all projects, after fabricator discount. (Prima Stone will advise on rebate to the designer/ contractor based on wholesale price paid).

Term and Conditions of the Rebate Program:

1. Designer must pre-select panels and assist the client with layout.
2. Designer emails their sales rep noting that they wish to register the project upon specification including:
 - Project name and location and timeline
 - Other materials they have considered for the project
 - Email address for e-transfer
3. Agree to provide any professional photos of the project for use in Prima Stone marketing, unless otherwise agreed upon with the Prima Stone rep. **Initial:** _____
4. If the project has not been registered with Prima Stone prior to tender or estimating stage and introductions have not been made to contractors and fabricators via email, Prima Stone will only provide a 5% rebate for register designer/ contractors **Initial:** _____
5. Prima Stone will contact the designer to complete a rebate form upon invoicing of the client, fabricator or contractor.
6. Rebate form must be received back within 5 days of issuance of invoice. Rebates will only be paid on invoices that are fully paid by the client.
7. Prima Stone will issue payment to the company business account, via e-transfer, within 5-7 business days from receipt of client payment.
